

Traineeship opportunities: Real Estate/Banking & Finance January - June 2023

We are the New Lawyers We are Baker McKenzie

Based in one of the world's most important financial and holding centers, our Luxembourg office advises clients on major cross-border financings, transactions and investment structurings. Our significant matters include advising global asset managers on corporate, tax and regulatory structurings as well as major investments.

Our approach

At Baker McKenzie, we're committed to nurturing and supporting our people within a personable, open, friendly and diverse environment. We want to make your career journey enjoyable, and we are convinced that our way of working does just that. We believe in involving our Trainees in 'live' work from the very start. After a couple of weeks of training, you should find yourself equipped with everything you need to start making an immediate contribution. Throughout your traineeship, you will be mentored by an Associate who will guide you and assign tasks to you.
