

Mid-level in Commercial Litigation and Technology Law

An open and energetic atmosphere and a personal approach - at Simmons & Simmons Luxembourg, we like to do things differently. We're part of a large international network with offices in 20 countries; yet our approach is entrepreneurial, innovative and all about putting people at the center. We're a team of 50 amazing people, servicing a various range of clients within the Asset Management & Investment Funds, Financial Institutions, Digital and Healthcare & Life sciences sectors. Simmons & Simmons is uniquely positioned to provide premium sector-focused advice to some of the world's leading companies, Financial Institutions, Funds and Supranational Organisations.

Need a change? Interested in becoming a member of the dynamic and fast-expanding Luxembourg-based team of an international business law firm? We are looking for:

a Mid-level in Commercial Litigation and Technology Law

YOUR ROLE

- Handle a wide range of dispute resolution matters, including litigation, arbitration, and mediation in corporate and commercial contexts;
- Drafting and reviewing a wide range of documents such as legal advice, contracts, policies, pleadings, and articles, with a focus on intellectual property, technology, and competition law;
- Work collaboratively with other team members, contributing to the development of the firm's knowledge and expertise in corporate/commercial disputes, IP, and IT;
- Take part in internal and external presentations and be involved in legal publications;
- Build and maintain strong relationships with clients, understanding their business and legal needs;
- Participate in business development activities, helping to attract new clients and build the firm's reputation in corporate/commercial dispute resolution, and specifically in the areas of IP and IT.

YOUR PROFILE

- 3-6 years' experience with a strong focus on dispute resolution and interest in IP/IT/Tech law;
- Admitted to the Luxembourg Bar (CCDL/*Avoue*), alternatively admitted to the French, Belgium or German Bar provided that you are familiar with the laws of Luxembourg and research tools;
- Strong analytical and drafting skills, are open-minded, dynamic, and able to work autonomously
- Excellent written and oral communication skills in English and French;
- You are proactive and capable of taking initiative;
- You are efficient, diligent, team player and equipped with a positive mindset.

WE OFFER

- You will work on ground-breaking deals for top-tier clients. The range, calibre and international scope of our deal-flow is unique - and makes us stand out from our competitors;
- Winning clients and work is not just the job of senior lawyers. We expect you to be entrepreneurial and business minded. Be involved in business development and create your own relationships with clients;
- From day one, you will be slotted in to have a chance to make a real difference through the work you do; and we will support you with legal and soft-skills trainings;
- An international and multi-cultural team and a focus on team work;
- The ability to grow your network, locally and internationally;
- Possibility for client secondments and secondments to our international offices;
- Working in an integrated international law firm on cross-border deals;
- Involvement in local and international initiatives and pro bono activities;
- You will be guided and supervised by experienced colleagues.
