

ASSOCIATE ATTORNEY - CORPORATE FINANCE & FINTECH

Our innovative law firm, specialising in corporate finance and fintech, is seeking a qualified lawyer to join our dynamic team in Luxembourg. As we enter an exciting growth phase, we're looking for a motivated associate who can thrive in a technology-driven environment.

Company Description

JURISCONSUL is an independent law firm based in Luxembourg, specialising in intellectual property (IP) and information technology (IT) law. With a dedicated team, we offer comprehensive legal services across various IP and IT sectors, including copyright, trademarks, blockchain, cryptocurrencies, and artificial intelligence.

While our firm has 15 years of industry experience, we've recently undergone a strategic restart. We operate as a small, dynamic team, leveraging cutting-edge technology to deliver exceptional legal services. This role offers a unique opportunity to shape the future of our practice and grow professionally in a supportive environment.

Role Description

We are seeking a **qualified and motivated Associate Attorney (CCDL)** to join our team. The ideal candidate will be passionate about technology, comfortable integrating it into their daily practice, and eager to contribute to our growing firm. This position requires an attorney who can handle complex corporate finance and FinTech cases, while also taking the initiative to research and develop their own client base.

Key Responsibilities

- Handle corporate finance and fintech cases
- Conduct legal research and draft documents
- Develop and maintain client relationships
- Contribute to business development initiatives
- Collaborate with a small, agile team
- Stay informed on the latest developments in FinTech and corporate finance law, ensuring the firm remains at the forefront of the industry

Qualifications

- Attorney in Luxembourg (liste I, II or IV)
- French is the main working language, accompanied by English
- Demonstrated ability to handle complex legal matters and provide strategic advice to clients
- Proficiency in legal technology tools and willingness to embrace new technologies
- Self-starter with the ability to work independently and as part of a team
- Legal design and legal development mindset

What we offer:

- A dynamic and supportive work environment with opportunities for professional growth and development.
- The chance to be part of a forward-thinking firm that values innovation and embraces technology.
- Competitive fee sharing package commensurate with experience and expertise.
- An opportunity to play a key role in shaping the future of our firm and its client relationships.

Application Process:

If you are a tech-savvy lawyer passionate about fintech and corporate finance, with the drive to build your own client base and contribute to our firm's growth, we want to hear from you.

Please submit your CV and a cover letter detailing your relevant experience and why you are the ideal candidate for this position to: info@jurisconsul.com
