

Senior Associate Lawyer - Regulatory / Finance (4 - 7 years of experience)

TS&P is a boutique law firm providing bespoke high-quality corporate and tax advice, while always considering practical and commercial aspects. This tailor-made advice is achieved with the support of an experienced team whose members have been working together for over a decade, creating strong and enduring client relationships built on trust. The team owes its long-lasting success and global market recognition to its unique common mind-set.

In order to support the growth of fund, regulatory and finance work for asset managers, TS&P is seeking a Senior Associate Lawyer to join focusing on Regulatory / Finance work.

We offer:

- High profile projects frequently of transactional nature
- A dynamic, friendly working environment and team
- High quality training and clients

Requirements:

- 4 - 7 years of experience as a lawyer in regulatory, alternative investment funds, and/or finance
- Curiosity of legal developments in a complex and fast changing environment
- Highest working standards and good organisational skills
- Excellent communication and drafting skills, as well as the ability to demonstrate initiative and pro-activity
- Ability to multitask, set priorities and to work within deadlines
- Strong analytical skills and a pragmatic approach
- Human qualities – open-minded and dynamic team player

Qualifications:

- Qualified lawyer admitted to List I or List IV as a foreign lawyer
- Relevant academic background for the regulatory / finance practice
- Fluent in both English and German or both English and French
- Any additional language or experience will be an asset
